

Samantha Belle

Where Live Performance Meets Leadership

Known for her repeat bookings, Samantha Belle is an award-winning keynote speaker, MC & actress who draws from her career spanning television, film, live performance & theater to consistently create unforgettable keynote experiences that help teams communicate more effectively, lead with greater confidence & re-engage with their work. The same principles behind unforgettable theatrical experiences are the same principles behind extraordinary leaders. Blending the neuroscience of live music, interactive storytelling, & lessons inspired by the world's greatest stages, Samantha inspires thousands across live & virtual events, articles & podcasts by transforming Broadway-inspired performance principles into simple, practical tools audiences can apply immediately.
